

DENISE PRATER

Denise Prater serves as the Senior Health Marketing Specialist for The Robbi Davis Agency, Inc. Denise has been in the insurance industry for 27 years in Oklahoma and Arkansas. She has two grown children, Megan and David, and four adorable grandchildren.

She serves as a consultant and enrollment specialist for Medicare Supplements, Advantage Plans and Prescription Drug Plans. When you are wading through the vast amount of mail solicitation leading up to your 65th birthday, you ask yourself...

- What are my options?
- What plan is right for me?
- How do I choose the best plan?
- What can I afford?

Without a doubt, Medicare can be difficult to maneuver on your own. Denise will take you step by step through the process until she finds the best plans that fit you and your budget. And as always, there is no fee for her service.

It is also important to remember that you should review your current prescription drug plan and/or Medicare Advantage plan each year during open enrollment and make any changes that are necessary. This year the Medicare open enrollment is October 15 - December 7.
